

ENGLISH-AS-A- SECOND LANGUAGE

DESCRIPTION

English-as-a-Second Language (ESL) is an English language education study program for non-native speakers. Students receive individual attention from their teachers as a part of differentiated learning classroom models driven by individual needs. Students learn English in cultural and social contexts that are found in the community. Classes teach different English language skills according to the students' English ability, interest, and needs. The ESL program teaches the following skills: grammar, reading, comprehension, writing and vocabulary.

Employees should consult the program material for length and duration of the class. Program materials and updated SENTRY codes are located under the FSA Programs link on the Reentry Services Division Sallyport page.
