

FOUNDATION

DESCRIPTION

Foundation is a program designed to assist women in assessing and advocating for their individual needs and translating the results of that assessment into the selection of programs and plans to meet their reentry goals. The Foundation program was designed to help newly incarcerated women chart a healthy path for themselves during their time of incarceration. Throughout the program, participants learn about a number of issues facing women. They have the opportunity to identify positive changes that will lead to a successful reentry, and consider programs and services within the facility that can help them make these changes.

The Change Plan, a Productive Activity, is a follow up to the Foundation program that focuses on the goals established in Foundation.

Employees should consult the program material for length and duration of the class. Program materials and updated SENTRY codes are located under the FSA Programs link on the Reentry Services Division Sallyport page.
