

NON-RESIDENTIAL DRUG ABUSE TREATMENT PROGRAM

DESCRIPTION

The Non-Residential Drug Abuse Treatment Program (NRDAP) is a psychoeducational/therapeutic group designed for general population individuals who report a history of problematic substance use. NRDAP is available to individuals at every institution. The purpose of NRDAP is to afford all individuals with a substance use problem the opportunity to receive treatment.

The content addresses criminal lifestyles and provides skill-building opportunities in the areas of managing difficult emotions, rational thinking, communication skills, and institution/community adjustment.

Employees should consult the program material for length and duration of the class. Program materials and updated SENTRY codes are located under the FSA Programs link on the Reentry Services Division Sallyport page.
