

DESCRIPTION

The Post-Secondary Education program includes courses offered to those who have completed high school equivalency requirements and are seeking to enhance their marketable skills. College level classes are provided by credentialed instructors from the community who deliver coursework leading to either the Associates or Bachelor’s degree. Specific prerequisites for each program are determined by the school providing the service.

Employees should consult the program material for length and duration of the class. Program materials and updated SENTRY codes are located under the FSA Programs link on the Reentry Services Division Sallyport page.
